

find a better way to enhance the lives of American citizens, get them out of poverty, get them the education they need and the skills they need to succeed in our economy.

This is the big challenge before the incoming Trump administration and this Congress. It is important that people have a vested interest in their community and have a sense of community engagement about how we do what I talked about last night, the idea that we let people closest to the problems solve those problems and not be dependent on one-size-fits-all challenges here.

So, Mr. Speaker, it is an honor to have been reelected and continue to serve the citizens of Arkansas and our country. I am humbled to be asked to raise my hand on January 3 and again affirm my allegiance to our country and our beloved Constitution.

Every Thursday morning, we assemble for the House prayer breakfast, and every Thursday morning I feel the prayers around our country, for our country. We in that group pray for all of our families. We pray for our men and women in uniform around our world protecting our liberties and our freedoms. I pray for each of the families in my district, that they have the health and prosperity and the ability to pursue happiness under our great Constitution.

On behalf of my family, I wish all of the people of the Second Congressional District of Arkansas a blessed Christmas season. May God bless our troops overseas and our great Nation.
